

**Please Join Us for our  
1st Annual Community Diversity Conference:  
Embracing and Implementing Inclusion  
June 4, 2014  
The Penn Stater Conference Center Hotel**

Attend this one day conference, bring a friend or a colleague, participate in an open dialogue and learn what it takes to build a richer and more inclusive community. State College has been so fortunate to experience diversity smack in the middle of Pennsylvania. The possibilities resulting from capitalizing on and embracing that diversity are exciting. The Community Diversity Conference: Embracing and Implementing Inclusion hopes to be an agent towards realizing these possibilities! When you come to live in State College, we want it to be hard to leave again. Engaging in what is often challenging and difficult dialogue leads to a broader and more enriched understanding of our increasingly diverse community and its needs. The Community Diversity Conference: Embracing and Implementing Inclusion is a unique opportunity to enhance community relations, increase awareness about diversity issues prevalent in our community and to improve the overall social climate of State College. Diversity is critical to the sustainability of our community.

Credits are available for professional development and various certifications including: SHRM/HRCI, College and University Personnel Association (CUPA), Association of Legal Administrators (ALA), National Association of Secondary School Principals (NASPP), National Association of Campus Auxiliary Services (NACAS) and National Association of College and University Business Officers (NACUBO).

Complete your registration today! Space is limited. The cost for this full day conference is \$35.00, subsidized by an EOPC grant and local donors. Please do not let cost be a barrier; contact us for availability of scholarships. For further details, please visit our website today:

## About Us

The Community Diversity Group (CDG) is a non-profit coalition of Centre County community members, businesses, Penn State employees, local governments, and local non-profit organizations. Our goal is to create a welcoming climate for all community members regardless of race, color, national origin, gender, ethnicity, sexual orientation or ability.

The CDG offers consulting, community-based mentoring, an annual Community Resource Fair and this directory of diversity-friendly groups and businesses and a monthly calendar of diversity events in the community.

**CDG's diversity training** is an affordable, 3-hour workshop also available onsite at your convenience. Your employees will discover behaviors that keep some customers coming back and others from never returning. Learn how to relate to a broader group of people to retain your best employees regardless of cultural differences. Become known as a diversity-friendly business and expand your clientele. **Call or visit our website to schedule training dates.**

**This calendar is also available on our website:**
