

# Penn State University Applied Research Laboratory

ARL Reston Facility  
1800 Alexander Bell Drive  
Reston, VA

The purpose of the ARL Reston Office is to serve as a focal point for liaison with the National Capital Region sponsor community and to support program development and showcasing of Laboratory capabilities. Personnel working out of the office maintain close ties to government offices involved in sponsorship of ARL work.

A call should be made to Robin Hammond, (814)865-7299 ext. 214, in advance of any visits to ensure that someone will be in the office. Currently, the facility can only support unclassified discussions and meetings.

## Parking

Parking is available in the rear of the building. Parking passes are not required at this facility.

## Building Access

The building is accessible from the parking level in the rear of the building. The doors will be open Monday–Friday 0800-1800, Saturday 1000-1400 and closed on Sunday. If the building doors are secure, a card swipe is located outside the entry doors to gain access (you must have a local Data Watch key card). Once inside, the elevators are located to the left and right (approx. 25 feet inside the door). Take the elevator to the second floor. Proceed to ARL space located in Suite 256. While inside ARL space your ARL badge must be displayed above your waist.
